

Regulations on Granting Degrees in the Graduate School for Information Technology

Established August 27, 1992

Article 1 (Purpose) The purpose of these regulations is to set forth matters related to granting master's degrees in the Graduate School for Information Technology (hereinafter referred to as GSIT) of Pohang University of Technology and Science in accordance with Article 4 of the Statutes of the Graduate School for Information Technology.

Article 2 (Degree Granting) An engineering master's degree shall be granted to a person who has submitted a thesis and passed the review and oral exams thereof after completing the master's program of the GSIT and passing the comprehensive exam for the master's degree program.

Article 3 (Implementation of Comprehensive Exam) The comprehensive exam shall be implemented as follows:

1. Oral exam related to major: The oral exam may be conducted per major to evaluate comprehensive research ability in the majoring field completed in each program, and may be conducted along with a thesis review. The judgment thereof shall be either a pass or a fail.
2. Oral exam related to the thesis: The oral exam shall be on the contents of the thesis and shall be conducted along with the thesis review. The judgment thereof shall be either a pass or a fail.

Article 4 (Thesis Advisor) ① A thesis advisor for each student shall be selected within one year of admission, and the selection results shall be reported to the Dean of Graduate School.

② The thesis advisor shall advise on all matters related to thesis research of the student until the thesis review is completed.

Article 5 (Thesis Committee) ① The thesis review and oral exams stated in Article 2 shall be conducted by master's degree Thesis Committee members appointed by the Dean of Graduate School.

② The master's degree Thesis Committee members of the GSIT shall be composed of three persons, including the thesis advisor.

③ A student's advisor shall serve as the chairperson of his/her Thesis Committee.

Article 6 (Thesis Review) ① The chairperson of the Thesis Committee shall assemble the Thesis Committee to review the thesis submitted by a student, and to conduct oral examinations on a student's field of study and on a student's thesis. The chairperson of the Thesis Committee must report the results of the reviews and exams to the Dean of Graduate School.

② The result of the review of a thesis shall be either pass or fail.

③ A unanimous vote of the Thesis Committee is required for a thesis to be passed.

Article 7 (Degree Conferment Decision) A degree conferment decision about an approved thesis shall be made with the consent of two-thirds of the Graduate Studies Committee members and with the approval of the President of the University following the request by the Dean of Graduate School.

Article 8 (Thesis Writing Guidelines) The master's thesis shall be written in accordance with the Graduate Thesis Format and Submission Guidelines as provided separately.

Article 9 (Submission of Thesis) The thesis for the master's degree of the GSIT shall be submitted

twice, within four years of the admission year.

Article 10 (Degree Certification) Granting of the GSIT's master's degree shall be in the form of providing the Degree Certification in attached Form 1.
