

## Sexual education services

POSTECH provides sexual and reproductive education services to student, staffs, faculties.

### Ex 1) 2023 Human Rights Gender Equality online Education

<An announcement>

The POSTECH Human Rights Center will provide you with online prevention education for human rights and gender equality in 2023. All members of POSTECH must complete sexual harassment, sexual violence, sex trafficking, and domestic violence prevention education once a year in accordance with Article 5 of the Sexual Violence Prevention and Victim Protection Act.

Please make sure to complete the training before December 31, 2023.

※ Reproduction of property rights protected by law or infringement by means of performance, public transmission, exhibition, distribution, or rental can be punished by imprisonment for not more than five years or a fine of not more than 50 million won (Article 136 of the Copyright Act).

<Online prevention education for human rights and gender equality>

(1) Training site: <https://plms.postech.ac.kr>
